"I invite you to join me as a Spokesperson for the Organ Donation and Transplant Association of Canada.

Just a few minutes of your time can give the hope of life and laughter to thousands of Canadians waiting for a transplant."

Now... that's mind bending.

HOW CAN YOU HELP?

People listen to celebrities. By becoming a Spokesperson for The Organ Donation and Transplant Association, you can help us reach a broader audience. Your support can make a difference today and help save lives tomorrow.

We Know You're Busy So We've Kept it Simple

We have prepared some short written material to educate people about the tragedies and successes.

- Canada has one of the lowest donor rates in industrialized countries.
- At this moment, more than 4,000 Canadians are waiting for a transplant.
- Those who receive transplants have wonderful stories to tell.
- Life ends for 5 Canadians each week because no donor is available.

If you are willing to help raise public awareness, we will e-mail a copy of this written material to you. Then you simply call our 1-800 number and read the "script" into a recording device. These "scripts" will be distributed nationally as Public Service Announcements. Your name will help open doors to radio, web and print media.
